N°21

GOLF in Normandy

Golf du Centre Manche (9 holes)

The **Golf du Centre Manche** is located in the heart of la Manche County, in the middle of the Cotentin Peninsula. Nested in the heart of a beautiful natural park (Parc des Marais du Cotentin), this course was designed in 1986 by Jacques Saint Cricq. In 2001, the course underwent a series of transformation as 3 holes were added which significantly increased the difficulty of a course considered easy until then! You will face many challenges with its hedges, trees and water hazards.

Golf Centre Manche
