# GOLF in Normandy

## Golf Jumièges Le Mesnil (18 holes)

The Jumièges le Mesnil Golf Course is located in the Seine Maritime County in Normandy (between Rouen and Le Havre). It offers a magnificent natural setting, in the heart of the natural regional park of the Seine Valley (*Parc Naturel Régional des Boucles de la Seine Normande*), following the lovely "fruit trail" and nearby the beautiful medieval abbey of Jumièges. Created in 1991, by the architect JP Fourés, and spreading over 62 hectares, the originality of this golf course lies in its route which is located for two-thirds in the forest and presents narrow fairways. You will also enjoy a lowland area with some great Scottish style roughs on the way.

Jumièges Le Mesnil also boasts an excellent driving range, 9 holes pitch and putt course. Because of its narrow greens, the diversity of its layout and the variation of distance between the holes, this golf course is perfect to train and improve your game.

### Place of interest nearby

The Jumièges Abbey, located a few metres away from the golf course, was founded in the 7<sup>th</sup> century and benefited from the Dukes of Normandy's patronage during the Middle-Ages.

The abbey was transformed into a quarry after the French Revolution and today, its ruins, once known as the "fairest in France", offer an unforgettable vision.
